

Carers Trust & Bridgit Care

We're putting together the jigsaw for carers and the amazing carer services like you that support them.

Bridgit Care and Carers Trust, in collaboration with members, are introducing carer led digital solutions to help scale carer support, demonstrate impact, and respond to increasing demand—all while keeping costs affordable.

Why now?

Rising demand on services with fewer resources.

Commissioners asking for extension to support for carers

Carers Trust members needing to demonstrate innovation and outcomes to secure funding.

Support for you

We're providing exclusive versions of Bridgit for CT network partners with a low cost & high impact Essentials version available for £750 per month.

Our approach

bridgit

Combine AI-powered self-help tools in a simple digital service.

CARERS TRUST

Use improved data for lobbying and funding for carers & services.

CT Network Partners

Reach more carers, improve more lives, reduce admin time, and simplify reporting to commissioners and grant funders.

Grow your services and impact.
